Ambrose was sent the day's work each day—none is left for and conferred with them. He probover to be handled later."

Postmaster Merritt this year adopted the plan of having mail matter sorted by blocks, instead of in the usual manner. For instance, all the letters for the 800 block on L street northwest were bunched, the even and odd numbers in separate packages, and so on. The packages, packages, and so on. The packages, loaded into wagons, were taken to the proper blocks, dumped on the ground on big tarpaulins spread for them and distributed from the points where they were dumped. Inexperienced men could be used in the distribution under this plan. and the work of delivering the mail has been immensely facilitated.
